

**ANNOUNCEMENT:
Far Western NSW Women**

We are delighted to announce the launch of *WomenCONNECT*, an initiative proudly funded by the NSW Government.

Over the next three years, Contact will offer a series of practical in-person and virtual events, workshops, community days, and support sessions co-designed with women and girls living in Far Western NSW.

Our goal is to provide resources, information and supports for women and girls.

Stay tuned for more details on upcoming events and how you can get involved. Together, building a brighter future!
